Annual Fund 2021-22 Results

Each year, the school is blessed by the generosity and support of our friends, family, and alumni. During the 2021-22 year, our community demonstrated its strong commitment to Saint George's. This commitment and support allow us to offer an exceptional educational experience and unmatched extra-curricular program for our students. These gifts demonstrate a high level of confidence and pride in the school, the program, and our educators.

Donors showed support through contributions to our Annual Fund, robotics, transportation, and several other key areas. During the Spring Gala, we received gifts to assist with teacher compensation. These gifts are significant as we look long-term towards a sustainable future for Saint George's School. We thank you for your on-going support!

Annual Fund 2022-23 Update

I am continually amazed by the Saint George's community. From students to faculty and parents to alumni, Saint George's has a community that connects with one another and comes together to support our mission. The Power the Dragon Annual Fund has started off strong. The 2022-23

parent campaign launched in November, and we're excited to be more than 70% of the way to our goal of \$190,000. Contributions towards this year's Annual Fund are accepted through June 30, 2023.

We continue to stay engaged with our alumni and parents. The Saint George's Alumni association is strong and has helped bring our community together. They have already hosted and connected through several events and have even more upcoming opportunities to get together this winter.

Finally, we are excited to be in the early planning stages for our Annual Gala event to be held in the Spring. Be on the lookout for more information in the near future. We look forward to what 2023 will bring and are thankful to be on this journey with you!
