

Your Philanthropic Impact

Current Fiscal Year Update: July 2023 to June 2024

Each year the school is blessed by the time, talent, and treasure of families, alumni, and friends of Saint George's. Your commitment to the school's mission is deeply appreciated! Philanthropic gifts to Saint George's enhance areas that tuition does not fully cover, allowing the school to continue to offer an exceptional educational experience and unmatched extra-curricular programs to students.

The Saint George's Annual Fund supports an array of programs including the arts, technology offered on and off campus, financial aid, and faculty professional development. This fiscal year Saint George's has set a goal of raising \$225,000 for the Annual Fund. At the publication of this magazine

57% of the goal has been met. We would like to thank every philanthropic contributor who has joined us in supporting current and future Saint George's scholars, athletes, and artists.

— Kelsea Nester, Annual Fund Director

“As current Board Chair and parent to three Saint George's graduates, I see the impact the Annual Fund makes to help the school produce unique programs like the outdoor and drama clubs, two clubs my children greatly benefited from. The Annual Fund supports an array of programs from field trips to extra supplies for unique clubs. When you support the Annual Fund, you're supporting what keeps Saint George's special.”

- Pam Kohlmeier, MD, JD, FACEP
Board of Trustees President
