

Middle and Upper School Ski Bus to Mt. Spokane Ski and Snowboard Resort January 5th, 25th and February 9th

We will leave SGS at 3:15pm from ESAC. Students will be dropped off at Yokes on HWY 2 (9:00pm), SGS (9:30pm), or the First Presbyterian Church at 4th and Cedar (10:00pm).

Skiing and snowboarding are dangerous. The mountain is often foggy, and the conditions can be icy and cold. This is not the place for non-skiers/snowboarders. Students are not always with an adult. They are expected to ski with a buddy and must check in with Melanie or Bethany Baldwin. They must bring appropriate clothing and equipment. Helmets are required!

Skis and snowboards must be dropped off at Metters by the morning of the ski bus.

Students may rent equipment for \$25.00. Then \$5.00 more for a helmet.

Lift ticket is \$25.00 and bus fare is \$10.00 so \$35.00 for the evening (\$10 if you have a season pass!) Extra costs are snacks and dinner.

If students want a lesson, we need to have a group of at least three all learning the same sport (skiing or snowboarding) and the cost is \$50.00 per person. I must know this the week before the ski bus.

The bus leaves SGS at 3:20pm and will drop students off at Yokes on HWY 2 at 9:00pm, SGS at 9:30pm and then the Presbyterian Church at 4th and Cedar at 10:00pm (This is the parking lot that is across 4th Ave from the Chevron Station and McDonalds, a half block north of the west-bound on-ramp to the freeway).
