Supply List for Incoming 4th Graders

- 4 Lined Composition Notebooks. These are the ones that do not have perforated sheets of paper; the papers are sewn inside the journal. They come in either soft or hard back, as well as different colors. Leave them unlabeled since we will help students fill in the cover information. Must be wide ruled with at least 100 pages. Please: No spiral notebooks.
- 1 pkg. of 12 Colored Pencils
- 1-2 Expo Dry Erase Markers
- 1 pkg. of #2 Pencils. You can bring more to share if you'd like!
- Calculator for home use—please leave at home. We provide calculators at school. Keep them simple and inexpensive.
- 1 pkg. Multi-Colored Highlighters to keep at school—a package of five, multi-colored: yellow, orange, green, blue, and pink. We use these colors as editing codes during math all year.
- FYI only (no need to buy) 4-inch Protractor: This size is very difficult to find in the stores. We provide protractors at school, and we will be giving each student one to keep at home for homework assignments. It will be needed all year; please keep in a safe place. Larger protractors are too big for our worksheets.
- Lined 3 x 5 index cards. Two packages. White on one side, lined on the other.
- One: 2" hardcover binder, any color, with pockets on inside front and back covers. This will be used as a year-long portfolio of their work.
- I pkg of tabbed subject dividers
- All Lower School students are required to have a separate pair of shoes to wear for P.E. They do not need to be new, just clean and fitting well. These will be kept at school.
- One pair of headphones for student to keep in cubby.
- 1 pencil pouch. Needs to be large enough to hold a variety of supplies.
- 4 jumbo glue sticks

BE READY FOR A FABULOUS 4th GRADE YEAR
