Summer 2026

Dear Incoming 3rd Grader,

How is your summer going? There always seems to be some sort of project going on at our houses, but we both love the flexibility of later dinners, getting outside more, and spending time with our families. It's hard to leave summer, but also exciting to get back into a routine of fun projects and learning! Sometimes we feel like the school year zips by faster than the summer.

This is the first year you need to purchase school supplies. A ***supply list is posted on the SGS website*** (www.sgs.org password- inspiring). Be ready on the first day of school with your **supplies**, **backpack**, **lunch**, **snack** and a brain craving knowledge.

If you've been swimming a lot this summer, running through the sprinkler, or staying hydrated with agua, you've already absorbed much of our first science unit- WATER! Did you know that there is no new water? That means you could be drinking the same water a dinosaur did!

Well, we can't wait to see you and discover what the year holds for our 3rd grade community. Have a fantabulous rest of your summer!

Your Teachers,
Denie & Amanda

Here are a few dates to remember:

8/25: LS Meet & Greet 3:00-4:00 pm. Drop in to see your classroom, meet your teachers and classmates, and bring any school supplies.
Cross Country meeting 4:00-4:30
8/26: First Day of classes at the Lower School
(Front doors open at 8:00 am, school starts promptly at 8:25 am)
8/28: K-12 Dragon Dance 2:15-3:00
Parents are invited to come watch this SGS traditional event.
9/3: Back to School Night 6:00
Parents are invited to attend a presentation by their student's teacher(s) and specialists to learn more about each classroom.
12/17: Lower School Winter Concert 1:00 p.m. and 7:00 p.m.
