WEEKLY UPDATE

It was wonderful to see so many of you on campus last week for parent-teacher conferences. These conversations provide valuable time to celebrate your child's growth, reflect on learning, and plan next steps. As you put action steps into place, please stay connected with your child's teacher and share the progress you see at home. Thank you for the trust you place in us and for being such an important partner in your child's learning journey.

Congratulations to our Lower School Cross Country team! They had a wonderful season, working hard, competing, and having fun. Their final race last Friday proved to be another great competition, and many runners ended the year with a PR. Addy Nyland got 11th place for 5th & 6th grade! Adriana Noyes earned 14th for 3rd & 4th grade! Way to go Dragons!! We are proud of you!

I am delighted to share the happy news that Anna and her family welcomed baby Eugene Luneux on Friday afternoon! We are so excited for their growing family and send them lots of love as they enjoy this special time together. We are also excited to welcome Judy Hafso back to the Lower School as Anna's long-term substitute during her maternity leave. Judy spent many years as our Lower School music teacher, and it is wonderful to have her back sharing her love of music with our students.

VETERANS DAY

As we prepare to honor Veterans Day, we invite families to share photos of family members who have served in the military for our traditional Veterans Hall of Honor. If you have submitted a photo in past years, we still have it and will proudly display it again.

For new submissions, please email photos to Shannon with the person's name, branch of service, when they served, and any other information you would like to share.

The Veterans Hall of Honor will be displayed in the Lower School Foyer. We are grateful for this opportunity to recognize and honor our families and their loved ones who have served.
