After-School Enrichment at Saint George's School

At Saint George's, we offer a wide range of after-school enrichment activities that give students the chance to extend their learning and explore new interests. Our programs are designed to challenge and inspire, helping students build skills that support individual growth while complementing our formal curriculum. These opportunities provide Lower School students with experiences that connect to a holistic K–12 model and create a strong foundation for Middle and Upper School programs. We'd love for your child(ren) to be part of the adventures this year!

Program Details

- Club fees are generally $15 per meeting day. Competitive long-range clubs and teams are charged a flat fee.
- Fees are billed to your student's account.
- Registration closes on Monday of the week prior to the club's start date. Late registration requests will be considered. The ASE Coordinator cannot guarantee placement, usually based upon club numbers and pre-purchased supplies. Approved late registrations (both club and Reading and Homework time registrations) will each incur a $50 administrative fee per club.
- Clubs are offered Monday through Thursday after school.
- For students not enrolled in Reading and Homework Time, parents must arrange pickup at the end of their child's club or team. Coaches and club leaders are not responsible for supervision after dismissal, so prompt pickup is required to ensure student safety and staff availability.

Reading and Homework Time

Reading and Homework Time is available from 4:30–5:30 p.m. for students who need to stay after their club ends.

- $10 per club day (registered separately).
- Enrollment is for the full club block, not drop-in.
- Supervision provided until 5:30 at no cost if a club ends at 5:15.
- Available only to students enrolled in a club that day.
- Parents may pick up before 5:30, or students may ride the late bus.

Cancellation Policy

- We accept cancellations until registration closes on Monday of the week prior to a club's start date. Any cancellations after that date will incur a charge of 50% of that club's fees.

Late Pickup Fees

Saint George's School strives to provide a safe and well-supervised environment for all students participating in After School Enrichment programs. To ensure appropriate staffing and supervision, families are expected to pick up students promptly at the conclusion of their scheduled program.

- For students not enrolled in Reading & Homework Time, late fees apply at the end of the student's club or team session.
- For students enrolled in Reading & Homework Time, late fees apply after 5:30 p.m.
- Late fees are assessed at a rate of **$10 for every 5-minute interval** after the applicable pickup time.
- Late pickup fees will be billed to the student's account.
- Repeated late pickups may result in a review of a student's participation in After School Enrichment programs.

Schedule:

After School Enrichment is aligned with the school calendar and scheduled in blocks. Clubs typically run **from 3:15 p.m. – 4:30 p.m.** unless otherwise noted in the descriptions to follow. Refer to the club descriptions to find the day(s) of the week.
