NOVEMBER 2-6

I hope everyone enjoyed a fun Halloween weekend! Last week's Costume Parade and Ghostbuster Dance were wonderful celebrations, and I loved seeing the students' creative costumes. As a reminder, please save Halloween candy for treats at home rather than packing it in lunches or snacks to help students stay focused throughout the day.

A special thank you to the Dixon, McAteer, and Keough families for treating our faculty to delicious snacks and a wonderful apple bar. Your thoughtfulness was greatly appreciated!

This Friday, we will gather for a special Veterans' Day Assembly to honor those who have served our country. Growing up, my sister and I spent many days at the lake listening to my grandfather share stories of his time in the Navy during World War II. We learned so much about his life and experiences, but what I treasure most is the time we spent together. I encourage you to share family stories and traditions with your children. There is so much we can learn from those who came before us, and these conversations create special memories.

To all the veterans in our community, thank you for your service. We look forward to honoring you on Friday!
